Berberis Thunbergii (Japanese barberry) 6 @ 7.50

planted by Flaccus & students: one group at upper end, the other at lower end of cutoff between Commons & Library, to discourage short-cutting.

Source: Baker's nursery

5/6/78

Flowering Crab 1 corner of Dewey (quadrangle side)

1980

date?

<u>Pinus strobus</u> (white pine)	250	2-0	@ 19.	Vt. Dept. of
	250	2-1	@ 40.	Forests & Parks
				seedlings)

planted by Susan Gaylord, Bob Woodworth & students
 spring 1980 (Flaccus on Sabbatical) pretty much in planned
 location, as windbreak for VAPA - north of VAPA.

1981

4/1/81:

<u>Rhododendron</u> Nova zembla	3	transplanted from UVM trial
<u>Rhododendron</u> Charactacus	1	plot to new bed, East
<u>Rhododendron</u> PJM	1	wall of VAPA.
Flaccus & students		

6/?/81: Tilia cordata (little leaf linden) 1 transplanted from UVM trial
 by McIntyre, Ryan, McDonald under plot to near Bingham.
 direction of Becca Stickney
 in honor of Bradford Smith

<u>Pinus parviflora</u> , blue needle Japanese white pine	1	ca. 7'
<u>Chamaecyparis pisifera</u> cyano viridis	Ca. 1	1

planted by Stephen Sandy (transplanted), line between Noyes & Welling,
 opposite Bingham

11/5/81 (Ca.)

<u>Acer saccharum</u>	1	transplanted from UVM trial plots by
<u>Quercus palustris</u>		Charles Prey. By Cricket Hill -
		arranged by Becca Stickney

both these trees did not do well. (Maple died, oak sprouting from base)

1982

4/15/82

<u>Pinus nigra</u> (Austrian Pine)	100	3 yr. seedlings, 6-12"	\$25.00
<u>Pseudotsuga menziesii</u> (Doug. Fir)	10	3 yr. seedlings, 6-12"	4.00

planted in arc, West to NW of ceramics studio, for windbreak
 on 6-8' center in several rows from near drive down toward pond
 by Flaccus and students (Tia Pessa, Wendy Shaw, Lisa Labalme,
 Heather Brown).

1982

5/24/82 (week of)

<u>Acer saccharum</u>	10	1½-2" cal, 10-12' high @	75.00
-----------------------	----	--------------------------	-------

7 of these planted in two lines, Commons Quad, 4 on West Side,
 3 on East

3 planted below SE corner of VAPA

planted
 by
 Charles
 Prey @ ?
 379.00

1982

5/24/82 (week of) (cont.)

*note: subsequently, trees, did not do too well, some burning of leaves. I believe the trouble was that Prey put too much fertilizer in the holes, burning some of the roots?

Source: Emerson Holcombe Nursery, Brattleboro

Paid for by Greenhouse Fund total: 1174.00

5/28/82

Acer saccharum 1 front of library @ 75.00
In Honor of Kit Foster planted by Flaccus in hole dug
by Ryan

Pyrus (Sorbis) Aucupqria 1 by Leigh house @ 38.00
1 between barn & Commons

planted by students (Jimmy Franco;
source: Ashwood Nursery, Shaftsbury

Paid for by Greenhouse Fund total 151.00

7/25/82

Prunus (Newport Plum) 1 just W. of Franklin
Honor of Barry Weinbaum

*overwatered while I was away - lost all
its lvs. Hopefully will leaf out next
year.

planted by
Flaccus & students
at memorial ceremony

Source: Ashwood Nursery @ 45.00

10/ /82 -

bulbs:	4	Fortune daffodils	\$1.60	
	4	Carlton daffodils	1.60	planted in Leroy Logan's
	12	Scilla	1.50	garden by Logan & Jimmy Franco
	3	Hyacinths, blue Delft	1.50	
	7	Darwin Tulip	1.50	

Source: Ashwood Nursery \$14 (including bonemeal) paid for by Greenhouse Fund.

10/31/82 Transplanting of Rhododendron from UVM trial plots
to Jeff Levine's garden, orchard
by Audrey Braam (student)

11/12/82 Spruce 2 transplanted from below
Maintenance Building to Levine's garden
