USA TODAY'S ACADEMIC ALL-STAR PROGRAM

Application forms for *USA Today's* Academic All-Star program are available in the Dean of Studies Office. Students will need a faculty nomination. Nominations must be postmarked by Nov. 30, 1993. The criteria are designed to find students who excel in scholarship and in leadership roles on and off campus. A key element given most weight by the judges will be a student's outstanding original academic or intellectual product. The judges will be influenced by the student's ability to describe that outstanding endeavor in his/her own words. They will not read an author's work, see an artist's painting, nor hear a composer's music. They will rely solely on the student's ability to describe the effort in writing, supplemented by recommendations from the nominating professor and up to three other persons of the nominee's choice. Sixty students will be chosen; 20 will receive \$2,500 prizes.

RESIDENTIAL LIFE COMMITTEE

Members of the Residential Life Committee are: Selina Basey, Michael Mishkind, Ernie Paquette, Paul Renzi, Dean Snyder, Sally Sugarman, Sue Zocchi, and Noah Musler. The primary mission of this Committee, made up of faculty, students, staff, and administration, is to recommend a set of guidelines that will enhance the quality of residential life on campus, improve student self-governance and facilitate better lines of communication throughout the College community. The Committee meets every Thursday evening in Bingham Living Room. The first half-hour of the meetings (7:30-8:00 p.m.) will be open to students who wish to talk with the Committee. The Committee also has a post office box in Commons and a voice mail box, extension 800. Both will be checked daily, Monday-Friday. We will listen and work with you, so let us hear from you.
