Director's Thanks

The director wishes to thank: her cast without whose courage and determination this production would not have been possible; her mother (and her entire, crazy, southern family) for their inspiration, brilliant ideas, support, and comfort; Gladden Schrock for his understanding and his willingness to help me understand; David Groupé for his trust and his loan of his marvelous unicorn; Janis Young for her graciousness in offering advice; Derek Campbell for a fresh eye; Tom Farrell; Michael Giannitti; Shannon Giannitti; Ann Resch; Jim Allen; Madonna Smereck; Jessie Weber; Jon Paine for always doing what's right for the show; Jessicat and Jason for welcoming me every Sunday night and letting me babble; and everyone who asked how it was going and then listened to the answer.
