Dear Miss Knapp:

This is to invite you to attend a special meeting limited to Board members and managers of the cooperatives in your area.

The purpose of this "Circuit Riding" meeting is simple but important: that, in this emergency period, we may get to know one another better and see more clearly how our jobs dovetail, and so tighten our whole cooperative structure in the East. Our societies are so many and so widely distributed over 11 states that personal contacts, for which there can be no substitute, are all too few.

We Cooperators, I believe, have an opportunity for constructive effort in these times that may never come again. We need to realize it clearly, and prepare to meet it. I look forward to this discussion with you of where we are and what's ahead. Will you be there?

Cordially yours,

L. E. Woodcock
