Office of the President

28 July 1977

Mr. Arthur Brooks
Bennington College

Dear Art,

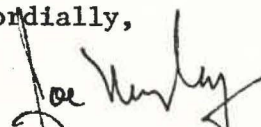

Pursuant to your request for additional support for Ensemble V, I would like to tell you that after discussion with the appropriate persons here at the College, the following determination was made. The College will provide \$1,500 in support of the logistical costs of the production of the performances you describe and \$1,000 for this academic year to cover your additional time. It is understood that the College will receive in return 10% of the royalties generated by any sales of the record and that you agree to include the logo of Bennington College on the cover. Approval of the design is not formally necessary but the words "Bennington College" ought to appear on the record cover in a reasonably prominent place not inconsistent with the design of the cover.

It is our further understanding that the College will purchase some percentage of the production yet to be negotiated for publicity purposes at wholesale price. Please let me know by signed this document if this arrangement is satisfactory to you.

I am certainly hopeful that the record will prove to be the kind of success you anticipate and that the College's involvement will enhance our reputation in this area of music.

Best regards.

Cordially,

Joseph S. Murphy
President
