The Central Committee met on September 5, 1941.

Those present were: Anna Frothingham, Theodora Boothby, Ann Mills, Mrs. Garrett, Teressa Blumberg, and Lucile Bloch.

Application for absence

The following students received permission to return late to Bennington after the summer vacation.

Arija Muray--due to a protracted illness in Mexico and inability to make accommodations for her return.

Alicia Ruhl-- due to illness at home.

Mary Somers Wood--due to conferences in connection with National Work Camps and the International Student Service. This was approved by Mr. Lauterer.

Mrs. Garrett had also given a tentative consent which the board approved.

Applicants for Drivers' Licenses

Mrs. Garrett called the committee's attention to the fact that applications for driving licenses had been made in the office. The Committee decided to give tests next week when all applications will be in. A notice has been posted on the bulletin board to be signed by Freshmen and other students planning to have cars at college.

The meeting was adjourned until after the official

commencement of the college.

Respectfully submitted,

Lucile Bloch,
Secretary, the Central Committee
