Community Year-end Party Wednesday June 4: This party will be jointly sponsored by the Community Council and the Recreation Council. From 5-6 o'clock each house will have its own party and be responsible for its success. With the cooperation of five faculty members each house will get up its own short skit. The community will gather in the diningrooms for a buffet supper. After supper the skits will be presented in the Theatre. If Mr. Leigh is present there will be a community meeting sometime during the day.

Recreation Council Investigation

Next week each member of the Recreation Council will bring in three good questions which will be used as a basis for a questionnaire to the community on its conception of the purpose and need for the Council and its success in meeting those requirements.

Respectfully submitted,
