The Spring semester of children and young people's dance classes taught by Suzanne Kaplan will commence on Saturday, March 29th, in the Carriage Barn and continue weekly through June 21st. Open classes will be held on May 3rd and June 21st to which parents and friends are invited. NOTICE FROM THE STORE BOARD

Elections. Elections for new members to the Store Board will take place at the end of the Spring Term. The Board will retain its same members until that time.

Licenses for Students. It was decided that our policy would be that any student who wishes to sell any commodity on Campus will have to make a formal request to the Store Board to do so. Licenses will have to be renewed each term.

License for Sandwich Concession. The Board will license the sandwich concession on the grounds that theirs will be a cooperative concern. The price and quality of sandwiches sold are matters with which the Community will deal by informing the members of the Store Board if they have any criticism.

Auditor's Report. It was thought that the Student body should be informed of the Auditor's Report; it would seem that few of them realize what the function of the Store is in the Community, or what it means to be a member of it. There was a suggestion that we use the Bulletin Board to post notices, periodically, to keep the students informed of Store Board activities and decisions which affect them.

There is a loss of \$50.44 this term (ending Summer, 1951) therefore no dividends will be paid for last term, but all the stock is paid for. There is a prospect of a profit next term. We discussed the possibility of paying rebates on cigarettes bought over the counter. The sale of coffee is going well; there is little work involved in this venture, so it can be considered a success.
