TO THE CLASS OF 1986:

The Class has voted to donate, as our Senior Gift, money to be applied toward Library Acquisitions in Memory of Robby Miller. Since the votes for Library Acquisitions: General, and Library Acquisitions: Art Books were exactly equal, the total amount of money we donate will be divided equally between these categories.

We urge you to contribute to this gift and to complete the attached pledge card as soon as possible. Please remember, when considering your donation, that the pledge may be completed any time before June 30, 1987.

Thanks for your thoughtfulness on this matter. It should be a good way to honor both Robby and our time spent here.

Sincerely yours,

Lynn Keslar
