FROM THE NON-RESIDENT TERM OFFICE

Since many entering students will be wanting jobs on campus, it would be a good idea if all present students who wish to work next Fall would notify the Non-Resident Term Office of their preferences. Students who are already employed in jobs and want to continue, should make their request known to their immediate supervisors. If this is not done before college closes, it will be assumed that they are not interested and new people will be assigned in the Fall.
