Val Bourne Dance Umbrella 10 Greek St. London XXX WIV 5LF

Dear Val,

Thank you for returning the keys through Donald Fleming. AxiontixknowywhyxBoxxXEXywowlintixrpany intxXimxxim It was lucky that he was around at the right moment.

The crates have not arrived yet at WPA. Could you let Dan or me know when you shipped them?

Please have a look at the enclosed bill. I had understood that you would make payments for all three sponsors, but I may be wrong. In any case, we'd appreciated payment as soon as possible.

If you come to NY soon, I's love to hear from you.

Sincerely,

Wendy Perron 388 Broadway NY NY 10013
