

2020 Recent Graduate Trustee-Request for Nominations

Bennington College - President's Office

May 1, 2020, 12:13 PM

TO: Faculty and Staff

FR: Paige Bartels, Secretary to the Board of Trustees

The President's Office invites nominations for the position of recent graduate trustee. Recent graduate trustees serve for two years (beginning each fall) as voting members of the Board of Trustees, which is responsible for the educational and financial integrity of the College. The Board meets four times a year (twice on campus and twice remote, typically in New York) and is comprised of both alumni and non-alumni.

Any student nominated by a faculty or staff member for the role of recent graduate trustee will be asked to submit a formal application by Tuesday, May 19. We will select finalists from among the applicants to interview with members of the Board of Trustees Nomination and Governance Committee when they meet (virtually) on May 28 and 29.

Please email president@bennington.edu with your nomination, along with a brief description of why you think the student would be a strong candidate for this position, by **Sunday, May 10, 2020**.

Thank you.
