

Bennington College
May 31, 1941

The Educational Policies Committee met on Wednesday, May 29, 1941 at 1 P.M. in the Red Dining Room. Present were Cynthia Jenkinson, Margaret Klaw, Ann Mills, Joan Strong, and Hilda Wheelwright. Joan Leonard was absent.

Graduate Associations

It was decided to hold meetings of all Seniors in each major on June 3, for the purpose of electing Association representatives.

Community Council

The Community Council has asked the Educational Policies Committee to prepare a summary of its functions to be included in a pamphlet to be given to Freshmen in September. The Committee felt that the section in the college bulletin was as concise and adequate a description as could be prepared. Joan Strong and Margaret Klaw were appointed to look into the matter and inform the committee from the Community Council of their decision.

Major Problems

The Freshmen have expressed a desire for more direction in their classes and conferences. The Committee discussed this problem and felt that it was not advisable to place more discipline upon the Freshmen in any of their activities. They felt that this was a usual complaint in the Freshman year and that nothing could be done about it.

The meeting was adjourned at 1:40 P.M.

Respectfully submitted
Helen Levine, Secretary
