On Thursday, March 23rd, at 9:00 P.M., two representatives from the Pennsylvania State University chapter of Students for a Democratic Society will hold a discussion in the living room of McCullough House concerning the problems of establishing an SDS chapter and its purposes. Anyone who is interested in forming such a chapter here at Bennington, or who would like to participate in the discussion, which will cover such topics as the war in Viet Nam and the draft is urged to attend. Literature written on the subjects which will be discussed will be distributed both at the discussion and prior to it. The two representatives welcome anyone who wishes to attend, regardless of his view.
