To the Bennington College Community:

The legislative branch of Student Government is planning to sponsor this year's annual rummage sale on Wednesday, June 7, at the Maintenance Building. In previous years this sale has been sponsored by the Co-operative Store, and students acting as sales assistants have been paid for their services. As one of the purposes of this year's sale would be to raise funds for the various committees of Leg., volunteers will be needed to help manage the sale and make it worthwhile. In other words, without student volunteers, there can be no rummage sale this June.

On Thursday, May 25, at 7:30 p.m. in Leigh House living room, there will be a meeting to discuss the details of the sale, delegate responsibilities and plan a work schedule. All who are willing to devote their time and energy are invited to attend.
